Part A: Pupil Premium Strategy Plan

Statement of intent

At Dorridge Primary, we have high aspirations and ambitions for our children and we believe that all learners should be able to reach their full potential. All members of staff and the governing body accept responsibility for disadvantaged pupils and are committed to meeting their pastoral, social, emotional and academic needs within a caring and nurturing environment. We will consider the challenges faced by vulnerable pupils and use research conducted by Education Endowment Foundation to inform and support decisions around the use of different strategies and their value for money.

Key Objectives for our disadvantaged pupils

To close the gap for disadvantaged pupils to achieve academically in line with non-disadvantaged pupils

To ensure disadvantaged pupils have access to wider curriculum opportunities

To provide all pupils with social, emotional and mental health support

To inspire and prepare disadvantaged pupils as lifelong learners

To ensure attendance of disadvantaged pupils continues to in line or greater than the national average.

Key Principles

To deploy teaching and learning support in addition to that in the classroom, providing targeted intervention for disadvantaged pupils

To ensure pupils social, emotional and mental health needs are met through the recruitment of a highly skilled and qualified family support worker.

Weekly Vulnerable Core Group meetings enabling us to act early to intervene at the point where need is identified.

A rigorous whole school approach in which all staff take responsibility for supporting SEMH of vulnerable pupils.
