

Did you know that attending school every day and arriving on time every day is important to your child's success and learning?

By making sure your child attends Nursery each day on time you will help them to:

Develop their knowledge of school routines meaning they will feel comfortable and secure in a new environment.

Develop social skills and friendship groups.

Develop positive relationships with staff and children.

Take part in all aspects of the Curriculum.

Being absent from Nursery can:

Make it harder to develop early phonic skills.

Make it harder to build positive relationships with staff and other pupils.

Develop a poor attendance pattern that is hard to break.

What you can do

- Talk to your child positively about school.
- It's important to explain where they'll be going, what they'll be doing and for how long.
- Find out what day term starts and start the exciting countdown!
- Share ideas other parents to make the school run go smoothly
- Set a regular bedtime and morning routine – allowing time for things to go wrong as they sometimes do with small children.
- Lay out clothes, and lunchboxes the night before
- Develop back-up plans for getting to nursery or school if something comes up (e.g. you are not well)
- Make sure your child arrives at school on time
- Ensure School is notified by telephone if your child is absent, on the first day of absence and they are kept updated throughout any absence period.
- Medical or dental appointments are booked outside of school hours when possible.
- Holidays are not taken during term time.
- If your child seems anxious about going to reception, talk to their teacher,

Parents at Dorridge School

There are many ways for parents to get involved in school life:

How to get involved:	What that means
Parent Teacher Association (PTA)	Organise a program events to raise funds for the school
Parent Council	Join a dedicated forum of staff & parents, who work together on mutually important issues to enhance school life
School Governing Body	A number of elected Parent Governors sit on the Body, which works in close partnership with the Head & staff to set the school's aims & policies & to promote high standards of educational achievement.
Volunteering	Give as much or as little time as you have to support the day-to-day running of the school

Showing your support by attending events is as important as holding a role

What is the Early Years Foundation Stage?

The Early Years Foundation Stage (E.Y.F.S.) is the stage of education for children from birth to the end of the Reception year.

It is based on the recognition that children learn best through play and active learning.

Seven Areas of Learning

- x Communication and Language
- x Physical Development
- x Personal, Social and Emotion Development (PSED)
- x Literacy
- x Mathematics
- x Understanding of the World (UW)
- x Expressive Arts and Design (EAD)

3 Prime Areas

Children should mostly develop the 3 prime areas first, which are...

- x Communication and language;
- x Physical development;
- x Personal, social and emotional development.

These **prime areas** are those most essential for your child's healthy development and future learning.

Communication and Language

1

Listening, attention and
Understanding

2

Speaking

Physical Development

1

Gross Motor Skills

2

Fine Motor Skills

Personal, Social and Emotional Development.

1 Self-Regulation

2 Managing Self

3 Building Relationships

4 Specific Areas

As children grow, the prime areas will help them to develop skills in 4 specific areas.

- x Literacy;
- x Mathematics;
- x Understanding of the World;
- x Expressive Arts and Design.

Literacy

- ✓ Comprehension
- ✓ Word Reading
- ✓ Writing

Mathematics

- ✓ Number
- ✓ Numerical Patterns

Understanding of the World

- ✓ Past and Present;
- ✓ People, Culture and Communities;
- ✓ The Natural World.

Expressive Arts and Design

- ✓ Creating with Materials;
- ✓ Being Imaginative and Expressive.

Objectives

- Recognise some numerals of personal significance.
- Counts up to three or four objects by saying one number name for each item.
- Counts objects to 10, and beginning to count beyond 10.
- Counts an irregular arrangement of up to ten objects.
- Begins to identify own mathematical problems based on own interests and fascinations.

Increase confidence

Improves concentration and listening skills

Improve social interaction

Improve Behaviour

‘The broad range of skills, knowledge and attitudes children need as foundations for good future progress.’

(Statutory Framework for the Early Years Foundation Stage, page 4).

Dorridge Primary School adopts UNICEF’s description of School Readiness as consisting of three pillars –

Children’s readiness for school

Family’s readiness for school

School’s readiness for children

Together, these pillars maximise each child’s likelihood of success as they progress through their time in school.

School Readiness

We believe that.....

‘Children are ‘school ready’ when they are resilient and confident, with a keenness to learn and have effective personal and social skills.’

First Few Weeks

Settling in and getting to know one another.

Mixed group while
settling in.

A collection of colorful pencils arranged in a circle around the text. The pencils are in various colors including red, purple, blue, teal, green, yellow, and orange. They are all sharpened and pointing towards the center where the text is located.

How Can I Support My Child?
